***Empower Change, Inspire Hope, Build a Healthier Community***

RGV Road to Recovery is on a mission to transform the lives of those struggling with addiction, homelessness, disabilities and their Loved Ones. Our goal is to purchase and renovate the former Valley Grande Adventist Academy into a dynamic community hub that provides comprehensive recovery programs, educational opportunities, and wellness initiatives. By joining our cause, you're not just donating; you're investing in a transformative future for countless individuals and families.

**Why Your Donation Matters:**

- **Create Lasting Impact:** Your generous contributions will directly support the renovation and ongoing operation of a facility dedicated to recovery, education, and wellness. This is more than just a building; it's a beacon of hope for those in need.
- **Support a Bible-Based Approach:** At RGV Road to Recovery, we believe that spiritual guidance is key to transforming lives. Your donation will help ensure that every person who walks through our doors receives the spiritual and emotional support they need to rebuild their lives.
- **Foster Community Growth:** This facility will serve as a hub for the entire community, offering programs and services that promote healing, growth, and connection. By donating, you are helping to create a stronger, healthier community.
